## 1. Rationale

Mulberry Wood Wharf Primary seeks to be inclusive and for this reason, a uniform policy has been instituted by the local governing body of the school. The policy reflects the diversity of our society and the local community which Mulberry Wood Wharf Primary serves. The uniform which the school expects all pupils to wear who come to the school is sensitive to the cultural and religious beliefs and the socio-economic circumstances of our pupils and their families. It allows for flexibility so that there is equity within diversity.

## 2. Key Principles

The key principles that underpin the policy are set out below. These are common across the Mulberry Schools Trust. They reflect the fact that Mulberry Wood Wharf Primary is a mixed primary school and a secular school which provides for the needs of children from diverse cultural, social, religious and non-religious backgrounds. The uniform code is set out within this context.

## 3. Statutory duties

The school has been mindful of its statutory duties to:

- Promote community cohesion
- Promote understanding between groups in society
- To promote equality
- Fulfil its duties to ensure that children's rights are promoted with regard to:
  - a) physical and mental health and emotional well-being
  - b) protection from harm and neglect
  - c) education, training and recreation
  - d) the contribution made by them to society
  - e) social and economic well-being

The school's statutory Equality Policy states how the school seeks to fulfil these duties.

## 4. Promoting the aims of the school

The uniform policy is intended to promote the values and aims of the school by:

- **Resilience** – instils a sense of pride and belonging, encouraging pupils to persevere and maintain a positive attitude even when facing difficulties.
- **Respect** – promotes equality and respect among pupils by minimising socio-economic differences, helping children to treat each other with respect.
- **Kindness** – creates a cohesive school environment where kindness and supportive interactions are emphasised.
- **Active** – provides practical and comfortable attire that enables pupils to participate actively in both academic and extracurricular activities.
- **Community** – fosters a sense of unity and community within the school, encouraging pupils to feel connected and involved.
- **Creativity** – offers a simple, consistent framework that allows pupils to focus their creative energies on learning and personal development rather than attire.

The uniform policy contributes to these aims by promoting:

- cohesion among pupils
- pride in the school
- respect for different traditions where these do not conflict with the school's statutory duties and aims

The uniform policy aims:

- To avoid frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes
- To avoid different uniform requirements for different year/class/house groups
- To support the needs of children in their education, ensuring that it is practical and sensible, suitable for moving easily around the school site and suitable for a variety of learning environments including practical activities and formal events
- To uphold the school's ethos of equity within diversity
- To ensure that there is sensitivity towards religious observance wherever possible
- To ensure that health and safety is promoted for every pupil in the school

Our school has a duty to make sure that the uniform we require is affordable, in line with guidance from the Mulberry Schools Trust and statutory **guidance** from the Department for Education (DfE) on the cost of school uniform.

In line with our commitment to make uniform affordable to all, there are only two items which are bespoke to Mulberry Wood Wharf Primary:

- Sweatshirt or cardigan with school logo
- Purple or white polo shirt with school logo

In addition, the school promotes recycling and runs a scheme that allows parents to donate unwanted uniform items to us. We then keep these in stock and can provide them free of charge to parents. Please contact school reception to find out more about this.
