About Premier Education...

Premier Education is the largest children's coaching company of its kind in the UK, delivering to over 9 million children in the last 12 months alone. Premier Education have been delivering high quality sport, performing arts and wellbeing sessions to children since 1999. We support teachers in their curriculum delivery and provide parents with an invaluable service before, during, and after school, as well as during holiday periods.

As a founding member of UK Active Kids, and the first organisation of its kind to be awarded the highly prestigious Quality in Study Support (QiSS) kite mark, Premier Education works closely with schools across the country to inspire children to live a healthy, fit and fun life.

Premier Education at Mulberry Wood Wharf Primary

From September 2024 we will be providing the Wraparound Care on the school premises, which is an extension to the school day – reflecting the school ethos and high standards. We will also be adding some of our skilled activity professionals to deliver a range of active sessions, which will also allow the maximum number of children being able to attend by up to 25 children a day.

All places are subject to availability.

Places are offered on a first come, first served basis, which can be booked online. Although there are only 25 places, we will work with the school to do all that we can to meet the needs for additional places, where possible.

Furthermore there will be no registration fees or deposits needed!

Premier Education run some of the largest wraparound care sites in the county, with up to 100 children attending some days. As you can see from the feedback below your child will be in safe hands.

As a working mum, I am thankful to have access to the Premier Education Wraparound Care. The booking process is easily done online and there is the convenient option of a flexi booking. The staff are friendly, attentive, and engaged with the kids and there is a wide variety of activities available, both indoor and outdoor. I know my son is happy there as he sometimes complains that I come to collect him too early when I pick him up in the evenings.

Session Details – After School 'Play Active' Club

After School 'Play Active' Club...

Year Groups: Reception - Year 6

Full session

Time: 3.30pm – 5.30pm

Price: £14 per session

The after-school club reflects how important the school consider a healthy lifestyle to be, and therefore the activities are set up to engage the children's mind, body and soul.

The club will provide a relaxed environment to support children's learning and individual interests. Activities will be designed to be engaging and challenging for the ages and abilities of each child.

There will be a range of indoor and outdoor activities daily as well as a quiet area where children can relax and do some homework reading if they wish. Children will be encouraged to take part in physical activity each day to help them stay fit, but also have some quieter activities with friends to recharge their batteries.

The fun, physical activities are designed to appeal to every child – not just sporty children. Our Play Active sessions encourage fun-based physical activities, rather than traditional sports. The aim is to encourage children to get physically active through play, placing emphasis on inclusion rather than specific sports skills and techniques. This, in turn, improves social skills, self-esteem, balance, coordination and physical wellbeing

In addition, children will develop a wide variety of skills that they can use beyond the sports field, including...

- **Celebrating perseverance and acknowledging achievement**
- **Engaging and interacting appropriately with other children**
- **Setting achievable personal goals to reach**
- **Improving self-esteem and the confidence to try new things**
- **The ability to follow rules and respect themselves and others**
- **Understanding the importance of a healthy lifestyle**
- **Improving control, coordination, balance, agility and flexibility**
- **Communicating appropriately and effectively with others**

Children will have a wide range of activities to keep them occupied each day such as capture the flag, parachute games, archery, dodgeball, quiet reading, watching cartoons, playing board games or completing jigsaw puzzles.

Once a week we will also add specialist activities such as dance, yoga or cooking.

Planned Activities...

The after school club is an extension of the school day. It has been designed to run smoothly, whilst reflecting the school's outstanding quality

Our staff are trained to adapt each day based on children's needs or the weather. However, the structure and timing for each day will be consistent.

The below table shows an example of what the main planned activities each day could look like. Activities will be designed to fit in with the schools termly theme, to compliment classroom activities.

DAYS OF THE WEEK	ACTIVITIES
Monday	Arts & Crafts Children get to be creative and improve their coordination whilst colouring, drawing and cutting. Activities include: finger painting, origami, making paper chains, hat making and colouring in.
Tuesday	Music, Dance & Drama See your child grow in confidence through engaging, accessible activities! This incorporates anything from street dance and cheerleading to acting and musical theatre.
Wednesday	Sport & Games Children get to develop their communication and leadership skills through team games. They'll be able to try sports and activities they may not have tried before. Sports include tug of war, fencing, archery and yoga, to name a few.
Thursday	Cooking & Technology Children can help prepare their healthy snack whilst learning about the importance of a healthy diet. Our practical Fun-Triton lessons will allow the children to have a hands-on experience. Activities include 'the digestions race' and making fruit pizzas!
Friday	Fun Activities Friday fun day! A great way to end a productive week. Includes parachute games, giant Jenga, nerf play, laser tag and more.

Behaviour...

Whilst attending the after school club children are expected to:

- Follow the school values.
- Use socially acceptable behaviour.
- Respect one another, accepting differences of race, gender, ability, age and religion.
- Choose and participate in a variety of activities.
- Ask for help if needed.
- Enjoy their time at the club.

Positive behaviour is encouraged by:

- Staff acting as positive role models.
- Praising appropriate behaviour.
- Sticker rewards.
- Informing parents about individual achievements.
- Weekly awards given out during Friday's whole school assembly for exceptional accomplishments

Dealing with inappropriate behaviour:

Challenging behaviour will be addressed in a calm, firm and positive manner. In the first instance, the child will be given the opportunity to reflect on their behaviour and make the correct decision on how to behave moving forward. If a child doesn't choose to improve their behaviour it may be necessary for a child to be temporarily removed from the activity. Staff will explain why the behaviour displayed is deemed inappropriate. Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation. Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.

If, after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, after school club may decide to exclude the child. The reasons and processes involved will be clearly explained to the child and their parent/carer. All behaviour issues will be recorded.

First Aid...

All incidents are dealt with by a qualified first aider and will be recorded in the Wraparound Care accident book.

Incidents will be accurately reported to the parents/carer upon collection and signed by a member of either breakfast or after school club staff.

Accident records will give details of time, date and nature of the accident, details of the child involved, type and location of the injury, action taken, and by whom.

Parents of any child who becomes unwell during either breakfast club or after school club will be contacted immediately. If a child is sent home during school hours, the after school club will be informed of their absence by a member of the school admin/office staff.

Missing or Uncollected Children...

In the unlikely event that a child goes missing, the following procedure will be undertaken:

1. Senior school staff will be informed of the missing child.
2. Afterschool supervisors will search the inside of the building and delegate an outside search of the building to another member of staff.
3. If the child remains missing, the emergency services and parents/guardians will be contacted.
